Breaded & Battered Cheese Sticks

Intros uses only 100% mozzarella cheese. Our cheese is produced to tight specifications for moisture, fat, and salt content. This process ensures the gooey stretch, smooth texture, and mellow flavor your patrons crave.

Breaded & Battered Onion Rings

Intros uses only Grade A Jumbo Sweet Spanish onions. Choose from a variety of coating profiles, packaging options, and slices such as thin cut and thick cut.

Breaded & Battered Vegetables

Intros uses Grade A fresh garden vegetables. Ingredients are individually quick frozen to ensure freshness, high quality, and consistent sizing. Pair your signature sauce with any of our vegetable offerings.

Stuffed Jalapeños

Intros offers a wide selection of jalapeño items designed to delight your customers' palate. Our brining process ensures a balanced level of heat, and our jalapeños are uniformly sized and consistently stuffed end to end with cheese.
