MYSHAMROCK

KITCHENTELIGENCE

## MYSHAMROCK

### My Kitchen. My Rules. MyShamrock.

MyShamrock is the hub to manage your business with Shamrock Foods. View your invoices, make payments and set up automated bill pay. Track your deliveries using GPS location services. And access your purchase history and signed manifest copies of any delivery within 24 hours.

## SHAMROCKORDERS

### Log In. Stock Up. Move On.

Take control of how you place orders like never before with ShamrockORDERS. Now you have 24/7 online access to thousands of products, along with images, portion costs and nutritionals, customizable sheet-to-shelf order guides, real time inventory levels, security features and more.

## MENU WIZARD

BY SHAMROCK FOODS®

### The smarter way to manage inventory and increase profits.

The key to any kitchen's profitability? Menu costs. Menu Wizard is a powerful online tool that helps you manage purchase tracking, inventory and menu costs. Build recipes, import product lists and invoices, and upload P-Mix reports to help you identify profitable opportunities.

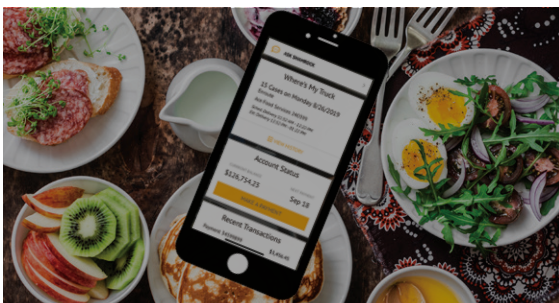

## SHAMROCK REWARDS

### Get Rewarded Like Never Before.

Partnering with Shamrock Foods is now more rewarding than ever. With Shamrock Rewards, you'll enjoy exclusive offers, rebates and promotions, and the chance to win great prizes, including trips to some amazing destinations.

## SHAMROCK FOODS IN THE PALM OF YOUR HAND.

Now you can manage your partnership with Shamrock Foods from the palm of your hand with the Shamrock Foods Mobile App. Track your delivery status with Where's My Truck. Check your balance and view invoices. Place an order with ShamrockORDERS. Even review the latest market trends. Visit the Apple App Store or Google Play to download today.

## MENU STUDIO

BY SHAMROCK FOODS®

### Better menus. Better results.

Take your menu to the next level with the Menu Studio by Shamrock Foods. Our professional creative team uses menu engineering to custom-design a menu that helps build your brand, increase customer loyalty and drive sales of more profitable items.
