### **HEALTH & SAFETY**

### FOOD SAFETY

Exhibitors are required to bring hand washing stations and food handler cards. Exhibitors serving open foods are required to have a hand washing station in their booth. If sampling commercial beverages, it is recommended to minimally provide sanitizer wipes and sanitizer if a hand wash set up is not readily available for use. Samples must be prepared onsite and served by a booth representative. Customers should not be serving themselves. Exhibitors should use tongs, other serving utensils, or be gloved with non-latex gloves to serve and handle food and not hand touching food items. Refer to hand washing station set up in the next section.

Exhibitors serving food are required to have a Food Handler training certificate. If there is cooking/ reheating/cold holding or any temperature control of food items, a thermometer should be used to determine internal temperature of potentially hazardous food items. Booths serving foods that require time/temperature controls for food safety. (i.e., cheese, cheesecake, raw doughs, yogurt, prepared foods, raw proteins, cut vegetables or garnishes such as lemon, limes, etc.) are also required to have a permit. If cooking any type of raw meat in the booth on the show floor, you will be required to have an individual permit. Shamrock will work with all exhibitors to obtain all needed permits.

Exhibitors must keep stations clean and sanitary. If utilizing the kitchen to prepare samples, the Phoenix Convention Center's Kitchen Manager will be the on-site lead in the kitchen to ensure health guidelines are followed and the kitchen is left clean. Please wear kitchen appropriate footwear when cooking – no sandals.

A three-compartment sink will be available in the kitchen to keep your dishes clean and sanitary.

#### FIRST AID

A limited first aid kit is available at the Exhibitor Check-In Booth. We recommend you also have a first aid kit at your booth.

#### FIRE SAFETY

Per fire code requirements, canned fuel must be secured to the chafing dish and it must have a slide-on lid to extinguish the flame. If you are cooking at your booth, you must have a fire extinguisher and floor protection. Any equipment using oil must sit on a fire-retardant surface and be at least 3 feet away from attendees. Specifically, if cooking with fryers using animal-based oil, a 20BC rated fire extinguisher is required and if using vegetable-based oil, a K fire extinguisher will be required in the booth or within 30 feet of the fryer. The Fire Marshal will conduct a walk-through inspection on September 17, 2025 at 8:00am.

#### HAND WASHING STATIONS

Exhibitors serving open food are required to have a hand washing station in their booth. This includes a minimum of five (5) gallons of warm potable water in an insulated container with a spigot, a container to catch waste water 15% larger than the fresh water container, hand soap, and paper towels

Always follow food safety guidelines – hand washing, temperatures, gloves, etc. Do not allow cross contamination of any products. Health Inspectors will be conducting an audit of all exhibitors during the EXPO. If you are found not in compliance, your booth will be shut down. <u>Shamrock is not providing any</u> <u>items required for a hand washing station</u>. Please read and sign the form on the next page regarding hand washing stations.

#### **TERMS AND CONDITIONS**

By signing and returning this Sponsorship Agreement (the "Agreement"), the participating company named above ("Supplier") agrees to be bound by the terms and conditions set forth herein. References to Shamrock herein shall be deemed to include Shamrock Foods Company and its affiliates and any and all of their duly authorized representatives, agents, and employee.

- 1. License. Supplier hereby grants to Shamrock Foods Company a non-exclusive, non-transferable, no sub-licensable right and license to use Supplier's logo and related intellectual property ("Supplier's Logo") as necessary to provide the sponsorship benefits in Shamrock's advertising, marketing, and promotional materials in all formats and media, including on its website, mobile apps, and social marketing pages on third-party websites and mobile apps, to identify and promote Supplier's association with and its status as a Shamrock Foods EXPO Sponsor. Supplier further represents and warrants that Supplier's Logo, as well as Shamrock's use of Supplier's Logo in connection with the Shamrock Foods EXPO, will not infringe, misappropriate, or otherwise violate any rights of any third party.
- 2. Photographs & Videos. Shamrock plans to take photographs and videos at all Shamrock Foods EXPO events and reproduce them in Shamrock's news or promotional materials, whether in print, electronic or other media, including Shamrock's website. By agreeing to be a Shamrock Foods EXPO Supplier, Supplier irrevocably grants Shamrock the right to display, reproduce, edit, or otherwise use their names, images, likeness, professional and personal biographical information, and all materials created by or on behalf of Shamrock that incorporate any of the foregoing for such purposes ("Materials"). Shamrock shall be the exclusive owner of all rights, including copyrights, in the Materials. Shamrock has no liability to Supplier for any editing or alteration of the Materials or for any distortion or other effects resulting from Shamrock's editing, alteration, or use of the Materials.
- 3. Promotional Activities. Supplier agrees that any and all promotional activities of any kind or nature, except for those outlined as part of the Sponsorship Options, are prohibited without Shamrock's written consent.
- 4. Compliance with Law. Supplier represents, warrants, and covenants that it shall comply with all applicable laws, rules, orders, and regulations, including those policies and procedures that have been established by Shamrock or the venue for use of the designated areas at the venue.
- 5. Severability. If any provision of this Agreement is held illegal, invalid or unenforceable, such provision will be deemed stricken from this Agreement and its illegality, invalidity or unenforceability will not affect the remainder of the provisions of this Agreement, which will remain in full force and effect. The parties will endeavor in good faith negotiations to replace any illegal, invalid or unenforceable provision with a valid, legal and enforceable provision, the economic effect of which comes as close as possible to the economic effect of the illegal, invalid or unenforceable provision.
- 6. Amendments. This Sponsorship Form may only be modified or amended in writing, signed by the authorized representative of the Supplier.

# **ONLINE REGISTRATION**

### **BOOTH REGISTRATION**

Booth Registration is by invitation only.

Each EXPO event will have its own registration site. On April 29, 2025 each invited exhibitor will receive an invite to the specific EXPO they have been invited to attend. Booth registrations must be completed by June 10, 2025. We offer 2 different booth sizes.

Full Booth – Includes a 10 x 10 area, carpeted, booth identification sign, (1) 8ft table and (1) 6ft topped/ draped table. Fee is \$7,500.

Half Booth – Includes a 5 x 5 area, carpeted, booth identification sign, (1) 8ft table or (1) 6ft topped/ draped table. May be shared with another vendor. Fee is \$4,250.

Specific booth sizes may vary if an exhibitor has been assigned to a specific show segments area. Notification will be sent if a supplier is part of one of these areas.

Booths will be billed to suppliers unless otherwise noted in your Vendor Merchandise Agreement (VMA). Booth billings will take place in September 2025.

### ALLOWANCES

Each EXPO features a post EXPO ship period where customers who attend the EXPO can receive item allowances on new and existing business purchases. Allowances may be given on any opencoded and stocked items. All items shown at the EXPO must have a new and existing business allowance assigned to it.

Registered exhibitors will receive an email on June 17, 2025 with a link to our allowance entry site. We will have one allowance entry site for all EXPOs. The allowance entered by the exhibitor will be the same across all branches where the product is open-coded and stocked. On the allowance site, you will be able to see the branches where the product is stocked in order to enter allowances.

The deadline to enter allowances will be July 18, 2025. You will also be able to load POS content on this site.

Exhibitors will be assessed a 25% admin fee on all EXPO allowanced items purchased at the end of the ship period. Allowances will be billed to suppliers unless otherwise noted in your Vendor Merchandise Agreement (VMA). Allowances billings will take place in January 2026.

# POINT OF SALE CONTENT

General

Info

For our EXPOs, we offer registered exhibitors the opportunity to load point of sale content to be viewed by our customers and on our exhibitor tablets at the EXPO. On the EXPO tablets, exhibitors are also able to email POS content to our customers. On June 17, 2025 registered exhibitors will receive an email to login into our allowances entry site that allows for POS content to be loaded. Exhibitors featuring Shamrock Exclusive Brands will have POS loaded for them by Shamrock.

Below is the deadline to upload POS. August 22, 2025

### **ORDERING SAMPLES**

Product samples for the EXPOs can be ordered through our Shamrock Customer Care team. In this guide you can find the EXPO Sample Order Form. Complete the form and email to the appropriate branch email address listed on the form to place the order. Please make sure to include "EXPO" in the subject line of the email. All samples ordered using the form will be delivered on the set-up day at the EXPO location. You will need your vendor billing number in order to place sample orders so they can be billed correctly. A sample order can be submitted starting June 17 and will end at the date listed below. Sample orders will need to have an assigned allowance amount for the branch EXPO and will need to be open coded/stocked at the particular branch. All samples ordered must be full cases only.

Once the sample order is emailed to our Customer Care team you will receive a case number. Please reference the case number if you have an inquiry regarding the order. If you have questions on the sample order once it has been submitted, you can reach out to our Customer Care team at (480) 462-3741. Do not ship samples to our warehouse. Shamrock will deliver the samples to the EXPOs and provide frozen/refrigerated storage during the EXPO. All samples ordered will be billed to the supplier. The billing will include the cost of the case and the standard handling fee. No samples will be returned to the warehouse.

Exhibitors can enter East Parking Garage and head towards the East Garage Marshalling yard on the left for unloading. After entering the Marshalling yard line, you will be called to dock and unload. When unloading is complete, please move your vehicle. Do not leave your vehicle unattended for any extended amount of time. Exhibitors should then move to park in the Heritage or Regency Garages after unloading in accordance with assigned garage.

### **EXHIBITOR BADGES**

Exhibitors can enter in names for their exhibitor attendees on the EXPO registration site. Exhibitors are able to enter in additional names after exhibitor registration has closed up to set-up day.

We strongly recommend you print your email confirmation with barcode before you arrive at the show to help expedite the badge printing process. You will receive it via email.

Exhibitor badges must be picked up on EXPO setup day at the Shamrock exhibitor booth.

Official show badges must be worn at all times by exhibitor personnel while in the exhibit hall during move-in, move-out and official show hours. No one will be allowed on the exhibit floor at any time without a badge.

#### ADMISSION POLICY

Exhibit hall admittance is restricted to registered exhibit staff and attendees displaying the EXPO 2025 show badge. All personnel representing the exhibitor, or its authorized agents, must be properly identified with an official EXPO 2025 show badge. Once the show has opened, all persons must enter and exit only through designated entrances.

#### EARLY APPOINTMENTS

No exhibitors will be allowed access to the exhibit hall prior to posted move-in and move-out days/ hours. On show days without scheduled move-in prior to show opening, exhibitors will be allowed access at (3) three hours before show opening and (4) hour after posted official show hours. Additional access may be arranged solely at the discretion of Show Management.

#### SAMPLES PRE-ORDERED

Any pre-ordered dry samples ordered through the allowance site will be delivered to your booth on Tuesday, September 16, 2025 during setup. Frozen or chill samples ordered through the allowance site will arrive on Tuesday, September 16, 2025 and overnight in the Shamrock truck. REVIEW ALL YOUR SAMPLES ON SET UP DAY! Shamrock Transportation Associates will be onsite to assist you with your samples.

Please do not ship samples to our warehouse – they will not be loaded on our trucks going to the show.

#### **COOLER/FREEZER SPACE**

Samples will be stored on the truck. The truck will remain on the dock overnight on September 16, 2025.

#### SUPPLIES

Shamrock is providing limited supplies (plates, cutlery, napkins, cups, foil pans, gloves, etc.). They will be available on set-up day from 9:00am – 6:00pm. Supplies are limited. Please don't take full cases. Open the boxes and only take what you need. Remember, no competitor distributor labels are allowed.

### ICE

Shamrock will be supplying ice for exhibitors. The ice will be stored on a truck and available at 6:00am on Wednesday, September 17, 2025.

### **ICE & OIL DUMP**

Ice can be dumped in the kitchen. Oil can be dumped in the designated area on the back dock of Hall G. No ice or oil dumping in restrooms or trash cans.

### **COOK SHACK**

Exhibitors will have access to the on-site kitchen at the Phoenix Convention Center for an additional \$200. Additional information is listed below in the Facility Kitchen section.

### **FACILITY KITCHEN**

Exhibitors will have access to the on-site kitchen on set-up day and show day. Cooking areas should be inspected on set-up day and additional cooking needs planned for. Any specialized cooking equipment and utensils needed to prepare samples will need to be provided by the exhibitor. Exhibitors will be sharing kitchen space so please keep all kitchen prep areas clean. Exhibitors must clean all kitchen space used and kitchen space must be clear of all boxes, unused product, and materials at the end of the show. There will be a Phoenix Convention Center Kitchen Manager onsite to ensure health guidelines are followed and the kitchen is left clean. A fee will be assessed to use the facility kitchen of \$200. Please fill out the form at the link below and we will reach out with more information.

#### https://www.surveymonkey.com/r/QQ6CXT5

Proper attire and footwear is required in the kitchen. No sandals are allowed.

Guidelines

# **BOOTH INFORMATION**

General

Info

Please ensure exhibitor booths are fully staffed to capture leads generated for the expected number of attendees per show. Exhibitors are expected to staff the booth with associates trained on your product lines prepared to sell and consult. Each booth must have at least one manufacturer representative. Depending on the intricacies of the product line, we recommend at least 3 people for a full booth and at least 2 for a half booth to fully capture the leads available. Exhibitors must have booths staffed at all times during the show. Exhibitors should avoid the use of cell phones at the booth during the show. Booths may not be torn down prior to the 4:00pm end time of the show.

Exhibitors may use pull-up banners and table signage to market your booths, however please do not place high banners on the tables. Any back walls will need to be pre-approved. No broker signage of any kind is allowed at the EXPO.

### **BOOTH LAYOUT**

Standard full booths will be a 10x10 area with one 6ft table and one 8ft table. Standard half booths are 5x10 with one 8ft table or one 6ft table. Tables will be set in an "L" shape, back and sides of the booth space to allow customers to enter the booth area and engage with the exhibitor. Please do not move tables or block the front of your booth. Booths will include 3ft pipe and drape to allow for an open floor feeling and format. Booth tables will include black tablecloths matching the pipe and drape. Exhibitors can supplement tablecloths with professional branded tablecloths. Broker logos or signage is prohibited in the booth.

Exhibitors assigned to a specific show segment area will have a booth with one 6ft table and one 8ft table. The 6ft table is along the front of the booth and the 8ft table is at the back of the booth. Exhibitors sharing these show segment booths will have access to 1/2 of the front table and 1/2 of the back table. Please do not move these tables. Booths will include segment pipe and drape. Booth tables will include segment tablecloths. Exhibitors can supplement tablecloths with branded tablecloths. Broker logos or signage is prohibited in the booth. Notification will be sent to exhibitors assigned to these specific show segment areas.

Exhibitor booth numbers and floor plans will be released at a later date.

### **EXHIBIT HALL FIRE REGULATIONS**

exhibitor.services@heritagesvs.com 1-800-360-4323 Fax 314-534-8050 **Order online at: heritagesvs.com/ordering** 

The information contained in this brief outline does not by any means cover completely the ordinances and regulations contained in the local Fire Prevention Code.

The following are basic rules governing concessions, exhibits, and shows in any building open to the public:

- 1. All curtains, drapes and decorations must be constructed of flameproof material, or treated with an approved flameproofing solution. (Treatment shall be renewed as often as may be necessary to maintain the flameproofing effect.)
- 2. No combustible materials, merchandise or signs shall be attached to, hung from, or draped over flameproofed side and rear divider draperies of booths or attached to table skirting facing aisles, unless flameproofed.
- 3. All exits, hallways and aisles leading from buildings or tents are to be kept clear and unobstructed at all times.
- 4. No exit door shall be locked, . bolted or otherwise fastened or obstructed at any time an exhibit building is open to the public. Moreover, it shall be unlawful to obstruct, or reduce in any manner, the clear width of any doorway, hallway, passageway or other means of egress. Additionally, all required exits shall be so located as to be discernible and accessible with unobstructed access thereto.
- 5. Access through turnstiles, gates, rails or similar devices shall not be permitted unless such a device is equipped to swing readily in the direction of exit travel under a total force of not more than 15 pounds and/or prior approval of the Fire Marshal.
- 6. All sawdust, shavings, hay and straw shall be flameproofed, stored and maintained in a manner approved by the Fire Marshal.
- 7. Automobiles, trucks, tractors, machinery and other motor vehicles utilizing flammable fuels, which are placed on display inside any building shall have no more than two (2) gallons of fuel in the tank; all fuel tanks shall be locked or effectively sealed and battery cables shall be disconnected from the ignition system. Ignition keys for vehicles on display shall be kept by a responsible person at the display location for removal of such vehicles from the building in the event of an emergency.
- 8. There shall not be any gasoline powered forklifts or carts allowed in a place of assembly. Exceptions: Propane or electric vehicles are allowed.
- 9. The use of liquefied petroleum gases inside buildings, tents or other areas is strictly prohibited, except for demonstration purposes when approved by the Fire Marshal. Maximum LPG allowed for exhibition purposes is a six (6) pound cylinder.
- 10. "No Smoking by Order of Fire Marshal" signs shall be posted and maintained in areas designated by the Fire Marshal.
- 11. Provide for daily removal and disposal of trash and rubbish from buildings and tents.
- 12. All electrical wiring shall be installed in a manner approved by the City Chief Electrical Inspector.
- 13. Provide and maintain approved fire extinguishing equipment in all areas as designated by the Fire Marshal.
- 14. All standpipe and hose cabinets shall be kept clear and unobstructed at all times.
- 15. All appliances fired by natural gas shall be approved by the City Chief Mechanical Inspector and Fire Marshal before being used.
- 16. The use of welding and cutting equipment for demonstration purposes must be by permit from the Fire Marshal.
- 17. Cylinders of compressed gases are prohibited unless approved by the Fire Marshal, and shall be secured in a vertical or horizontal position depending on the tank use and design.
- 18. The operator or the person in charge of operation or use of any place of assembly or education shall check egress facilities before such building is occupied for any use. If such inspection reveals that any element of the required means of egress is obstructed, inaccessible, locked, fastened or otherwise unsuited for immediate use, admittance to the building shall not be permitted until necessary corrective action has been completed.
- 19. There shall not be any obstructions blocking exit doors from the outside of any building such as autos parked in doorways or barricades across sidewalks.
- 20. No curtains, drapes or decorations shall be hung in such a manner as to cover any exit signs.
- 21. No vehicles shall be parked in fire lanes outside of buildings.
- 22. No flammable liquids shall be used or admitted inside of buildings except by approval of the Fire Marshal.
- 23. Artificial lighting such as lanterns and candles are prohibited.
- 24. The use of all gas-fired heating units, either portable or stationary, shall meet the approval of the City Chief Mechanical Inspector and the Fire Marshal. The use of the so-called "salamander" stove is strictly prohibited.
- 25. All cooking appliances shall be equipped with ventilating hoods and equipment as deemed necessary by the Fire Marshal, but in any instance such equipment shall be installed in accordance with provision of the City Building and Fire Codes. However, countertop fryers not exceeding 15 lbs. of oil may be used without the necessary ventilating hood and surface protection requirements. Additionally, the exhibitor shall be allowed no more than one (1) fryer per booth and shall provide two (2) ten (10) pound B.C. extinguishers, positioned on both sides of said fryers. All cooking appliances shall be listed by a National Testing Agency: i.e. Underwriters Laboratory or Factory Mutual
- 26. Booth and seating plans must be approved by the Fire Marshal. Submit plans to the Fire Marshal no later than 15 days before set-up date.
- 27. There shall not be any ticket booths, tables or any other display setup in the lobby without the prior approval of the Fire Marshal.
- 28. All aisles shall be maintained at a minimum of ten (10) feet clearance.
- 29. All covered structures in excess of ninety (90) square feet in area shall be protected by an automatic fire detection system approved by the Fire Marshal.
- 30. All floor plans submitted shall by totally representative of the halls, rooms and/or areas in which the events are held in, such as the location of manual pull stations, fire hose standpipe closets, exits, aisles and man doors in air walls, etc.

# FREIGHT AND DELIVERIES

#### DIRECT SHIPMENTS

General

Info

Please be aware that the Phoenix Convention Center does NOT receive exhibitor freight, literature or supplies through the venue package room. The package room is too small to handle exhibit materials and the venue's everyday receiving. All exhibit materials, being shipped directly to show site must be addressed as listed below to insure unloading and delivery to your booth area.

NOTE: Direct shipments must not arrive before Tuesday, September 16.

Any materials sent to the venue prior to this date may be returned to sender and/or may be turned over to Heritage and will be billed according to the Show's Shipping & Receiving Rates, and will be subject to venue assessed fees.

All shipments should be accompanied with a Bill of Lading or Packing List indicating the total weight of shipment and piece count.

See the enclosed Shipping Information/Material Handling Order Form for detailed service descriptions, rates and limits of liability.

# **ONSITE GUIDELINES**

General

Info

Exhibitors should display products with culinary forward applications and all products displayed are required to have allowances loaded. Exhibitors should be prepared to engage customers about product features, benefits, allowance savings, and with solution-based consulting. Venues will open at 6:00am for exhibitors to prepare samples for show. Exhibitors are required to have booths set with samples by 8:15am. Exhibitors are required to use the show tablet to collect leads during the show. After the show, exhibitors will receive further information about the leads collected to follow-up with the sellers and customers.

### ATTIRE

On show day, exhibitors should wear black slacks with either a manufacturer brand logo or a solid color shirt. Jeans are not permitted. Logos on shirts, aprons, banners, giveaways etc. should represent your manufacturer booth. Exclusive Brands should be represented on shirts where Exclusive Brands are shown.

All broker logoed apparel, aprons, banners, tablecloths, etc. are not permitted.

### **EXCLUSIVE BRANDS EXHIBITORS**

Exhibitors representing exclusive brands should wear black slacks with exclusive brand logoed polo or dress shirt (current logos only). Exclusive Brand exhibitors are expected to bring EB branded table runners. Logo shirts, table covers, promotional materials, and pull-up banners can be purchased from the IMA merch portal (www.ebrandstoolkit.com). Leverage current exclusive brand signage, banners and table covers in and around your display space.

Digital exclusive brand point of sales material will be in the EXPO app, so please encourage customers to download the content from the app.

### SAMPLES AND SAMPLING

Shamrock Foods EXPO is a source for culinary inspiration. Please work to create a culinary experience for our attendees. Exhibitors are required to follow all food safety rules when preparing and serving product.

Only 2oz portions for food, 4oz portions for beverages and 1oz portions for snacks can be sampled. All samples must be prepared onsite.

All items must have a product card with Shamrock item numbers and descriptions next to them.

Samples must be served by the booth rep in single serve containers. Customers should not be serving themselves. EXAMPLE: if sampling chips and salsa, place a single serving of salsa chips in 1oz sample cups. Do not leave a bowl of chips out for a customer to serve themselves.

Non-latex gloves must be used at all times for food prep and serving. Food must be kept at the correct temperatures. All utensils and non-prepackaged food must be covered or wrapped to protect from contamination.

Hand washing stations are required in booth. <u>You will be shut down if not in compliance and</u> <u>Shamrock Foods will not have extras to provide.</u>

### **MOVE-OUT**

Exhibitors must break down all boxes and place in the large trash container on the dock. No boxes are to be left on the show floor. Exhibitors will not need to empty the booth trash cans or the large trash cans on the show floor. Do not tear down your booth before an announcement is made – the show ends at 4:00pm. Exhibitors are responsible for cleaning kitchen if used and properly disposing of any oil, ice, and water as outlined under check-in/move-in section.

Exhibitors will need to return the EXPO lead tablet to the exhibitor check-in area and will receive reporting on all customer leads collected within days after the show.

Move-out must be completed by 7:00pm.

#### **FOOD DONATIONS**

Shamrock has partnered with St. Mary's Food Bank to donate all usable unopened project. Dry and perishable goods will be accepted. Donated items can be placed in the front section of your booth after show floor closes. Designate all donations with a St. Mary's Food Bank donation sign. Signs will be available at exhibitor check-in on set-up day.

Do not leave any product in the kitchen. Do not leave any products on the show floor unless it has a donation sign. Your booth should be completely empty before you leave the site. Anything left on the Shamrock truck will be donated – nothing will be returned to stock.
